

SAVANNAH STEINBERG

Coach • Facilitator • People Builder

ABOUT

Savannah is the founder and owner of STAR Leadership (Pty) Ltd, and has around 20 years' experience in coach training locally and internationally. Savannah is an Executive and Leadership Coach, and facilitates programmes in leadership, coaching and organisational learning & development. Savannah holds the position of Professor of Leadership & Coaching at Monarch Business School Switzerland, and is the Programme Director and Lead Facilitator and coach for Coach Training at Executive Education at Wits Business School.

She is credentialed as a Master Certified Coach (MCC) through the International Coaching Federation and Master Practitioner and Level 3 Evaluator for COMENSA. She is a Licensed Practitioner for the Science of Happiness @ Work, Barrett Cultural Transformation Tool and Integrative Enneagram Solutions and can do organisational assessments in all. She has studied an array of coaching methodologies, including Integrative Coaching, Consciousness Coaching© and Brain Based Coaching, and holds a Master's Degree in Business and Executive Coaching through Wits Business School. She is currently doing her PhD in Applied Leadership.
